TIM SHEPARD ENDORSES TRUDY BUSCH VALENTINE

As the first openly gay candidate in Missouri's history, we cracked the horrifically biased system which has existed for centuries. Families like ours genuinely represent the future of this state and this nation.

Tim is proud to endorse Trudy Busch Valentine. The reason is simple; whether we like how power works or not, she represents our best hope of restoring honor to Missouri's place in the United States Senate. The Republican field is utterly lacking honor.

"Missourians deserve a Senator who will fight for, "we hold these truths self-evident that all are created equal." While I believe that whole-heartedly, Trudy does as well and is the candidate who can win. I hope you'll join me in throwing your whole heart into electing her to be Missouri's next U.S. Senator." -Tim Shepard

Friend, too much is at stake for America's place in the world. We can not entertain any current Republicans from getting anywhere near the U.S. Senate. Only one candidate has the resources, name recognition, honor, and bravery to stand up and lead this state in a direction that remotely resembles America. I call on the remaining candidates in the field to join myself and Scott Sifton, drop your names from the primary ballot and endorse Trudy Busch Valentine.
